

Co-morbidities

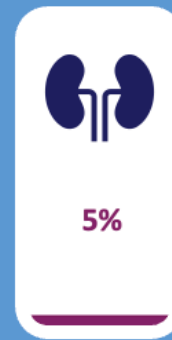

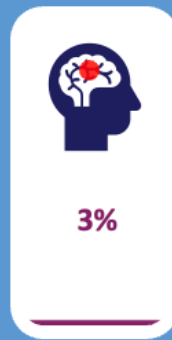

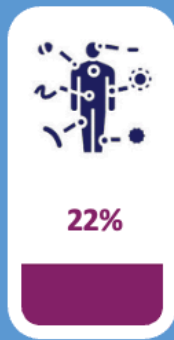

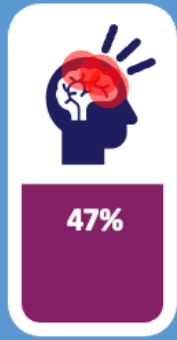

Migraines

Autoimmune *

History of stroke

Kidney disease

None

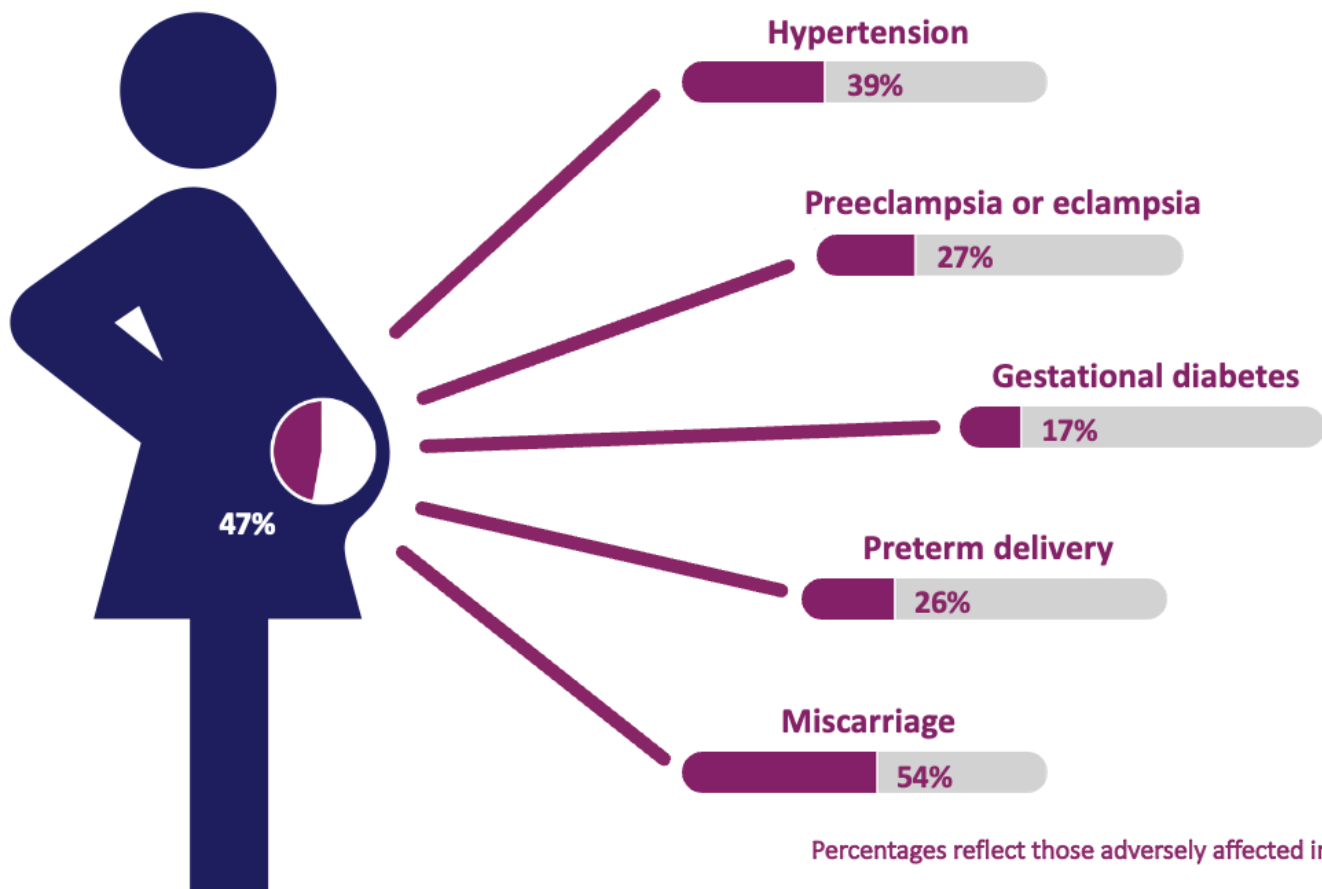

* 21.5% of people suffer from at least ONE autoimmune condition including Lupus, Thyroid disorder, Rheumatoid Arthritis, and others

** Some respondents had more than one co-morbidity

“ INOCA is NOT benign. The impact of INOCA on the lives of our patients is also not inconsequential. Further work is needed for faster diagnosis of INOCA and also further development of therapies to best treat people with this disease ”
Prof. Martha Gulati

Adverse effects in pregnancy

Percentages reflect those adversely affected in pregnancy
